Briefly

Rossville seniors to meet

The Rossville Area Senior Citizens will meet at noon Monday at the Rossville Church of Christ for a potluck luncheon. Blood pressures will be checked before lunch. Japanese exchange student Akiko Mizohata will present the program. Area senior citizens are invited to bring a covered dish and participate.

Community Fund donors honored

Twenty-one people will be honored this year for their contributions to the United Community Fund of Grant Township.

Those donors contributed \$200 or more to this year's fund drive, said Susan Redden, organization secretary.

The announcement was made at Wednesday's Community Fund meeting.

Names of the donors will be placed on a plaque which will be displayed in the Hoopeston Multi Agency community room.

In other business, the board discussed grant applications for next year and learned the industrial sector of this year's drive netted approximately \$20,000, down about \$3,000 from last year.

Information on blood use

*Thank You
for your support in the
Nov. 4 election*

A representative from the Red Cross will talk about blood drives and what happens to blood once it is collected. The program will be part of the Hoopeston Jaycees meeting at 7 p.m. Tuesday, Nov. 11 at the American Legion. The public is invited to attend.
